

Eliminate Racism Relationship Action Team 2022

Action Team: Eliminate Racism Relationship Action Team

Vision: Rockford is a community where everyone feels valued and has control of their own identity.

Mission: To radically alter divisive social patterns by building genuine relationships across racial, religious, class and cultural differences.

Goal #3: Support and encourage 5 religious organizations and 5 community and civic organizations in equity work by December of 2023.

Tactics (Action Steps)	Deadline	Who will do this?
1. Reach out to religious organizations by finding someone who is a facilitator, member of an action team, or interested in the mission of Eliminate Racism 815, and also a member of a religious organization. Then we can offer to come and speak, lead an experience of a “Breaking the Silence” night. We have begun with churches where we have an interested member and get involved in offering possibilities for sessions, or presentation within the congregation.		
2. Watch for possibilities of linking religious congregations which have a very different culture, color, class to have some event or sessions together.		
3. Reach out to civic or community organizations by finding someone who is a facilitator, member of an action team, or interested in the mission of Eliminate Racism 815, and also a member of a civic or community organization. Then we can offer to come and speak, lead an experience of a “Breaking the Silence” night. We can then get involved in offering possibilities for sessions, or presentation within the organization.
